

Architectural Change Form – Roof Replacement Request

NOTICE: Contractor must obtain a permit from Pinellas County Permitting before work commences. The entire roof is common area and requires that both sides replace roofs at the same time. This form must be initiated and signed by both unit owners. Any questions or disputes will be addressed by the Architectural Control Committee. Copy of Wind mitigation report will be given to property manager.

All applications, forms, drawings, diagrams and the like are not considered received by the Board until received by **Ameritech**
